INDIANA STATE LAW CONCERNING USE OF PARTY LINES IN CASE OF EMERGENCY

A Statute enacted by the 1955 Indiana Legislature makes it unlawful to misuse party line telephone service in cases of emergency. An emergency is defined in the law as "a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential." The law, in part, reads as follows:

Section 2. It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

Section 3. It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

NEW LOOK IN TELEPHONE NUMBERS

Some telephones have new style seven-figure numbers. For example:

555-2368

All seven figures of such numbers must be used to reach them. This modern numbering system, which will care for the telephone growth caused by our rapidly increasing population, is being introduced in many places across the country. Its use will grow until all numbers are of this type.

Known as "All-Number Calling" (or "ANC" for short), the new system provides more telephone number combinations. It eliminates confusion between the letter "O" and the figure "0" (zero). Also, there is no problem in how to spell or pronounce exchange names.

Long Distance Calls

for FASTER Long Distance Service

Please place your call with the operator in the following manner:

1. Name of place you are calling and Area Code number (if known).
2. Number you are calling.
3. Give your number at the time the Operator requests it.
4. Stay on the telephone until the call is completed or until you receive a report.

If you are making a person-to-person, credit card or collect call, please give this information to the operator first.

Types of Calls

STATION-TO-STATION

Call station-to-station if you will talk to anyone who answers. Rates are lower than person-to-person. Charging begins when the called telephone answers.

PERSON-TO-PERSON

Call person-to-person when you must talk to a particular person or extension telephone. Rates are higher than station to station. Charging begins when the called person or extension answers.

COLLECT

Most calls can be made "collect" if the person you are calling agrees to pay the charge. If you want the call made collect, please be sure to tell the operator when you give her the call.

CONFERENCE

You can talk with several people in different places at the same time. If you wish to do this, tell the long distance operator you want to make a conference call.

A call from you can Brighten the Day of an out-of-town relative or friend

Area Codes

Speed Your Long Distance Calls

For long distance calling the United States and Canada have been divided into large geographical telephone numbering plan areas. Each area is identified by a three digit area code.

Indiana is divided into 3 numbering plan areas. **Your area code is 219** (see map).

WHEN PEOPLE CALL YOU . . .

from outside area 219, they can speed their calls to you by giving their long distance operator your area code—219—along with your telephone number.

WHEN YOU CALL . . OUTSIDE THE 219 AREA

give the operator the area code, when you know it, as well as the telephone number. This will help her speed your call. Whenever you obtain a telephone number located outside of your numbering plan area, please ask for the area code. **Within the 219 area,** your operator doesn't need the area code number—only the telephone number is needed.

Helpful Information

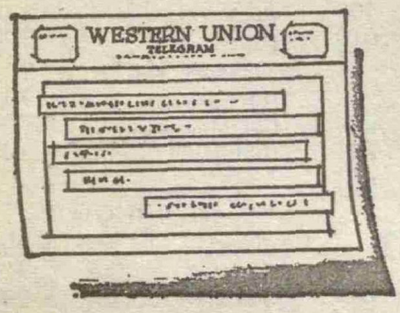

RECORDED TELEPHONE CONVERSATIONS

("Beep" tone)

If you hear a "beep" tone at fifteen-second intervals, your telephone conversation is being recorded by the person you are talking to. This signal is transmitted automatically whenever a recording machine is connected to the line. It is for your protection.

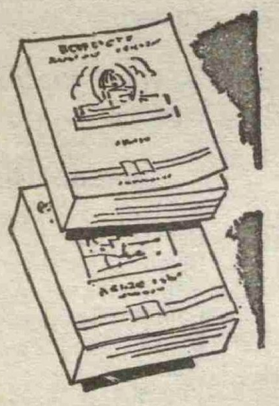

If you do not want a record made of what you are saying, ask the person with whom you're talking to disconnect the recording machine. The "beep" signal will stop when the recorder is disconnected.

Use of a recorder without this signal is contrary to Company tariffs and is not permitted.

TELEGRAMS BY TELEPHONE

You may telephone telegrams, cablegrams, or radiograms to the Western Union Telegraph company—see the listings of that Company in this directory—and have the charges appear on your telephone bill. You may also telephone your Western Union telegrams from coin telephones, paying as you would for a telephone call.

YOUR TELEPHONE NUMBER IS IMPORTANT

It's smart to make it easy for people to reach you. So why not include your telephone number on your stationery, statements and all advertising pieces?

OUT-OF-TOWN DIRECTORIES

Directories of some other cities may be obtained by our customers at a nominal charge. Call our Business Office.

EMPLOYEE IDENTIFICATION CARDS

For your protection, any employee who visits customer premises carries an official identification card showing his or her name, photograph and signature. If you have the slightest doubt about anyone who says he's "from the Telephone Company" ask to see his card.

Oh--wun--fo-wer--siks

siks--too--oh--sev-ven

fi-yiv--ate--ni-yen--oh

fo-wer--th-r-e e--ate--wun

TRY pronouncing the odd little syllables printed above. You will find they sound (and unmistakably) like well-known numbers you use every day.

Now, these words didn't just happen! They are the results of careful speech tests, made to find the simplest and surest sounds for the numerals 0 to 9.

Here they are in order: oh (0)... wun (1) ... too (2)... th-r-ee (3) ... fo-wer (4)... fi-yiv (5)... siks (6)... sev-ven (7)... ate (8)... ni-yen (9).

Illinois Bell telephone operators are trained to speak this way because this is the best way to identify numbers with the least chance of error.

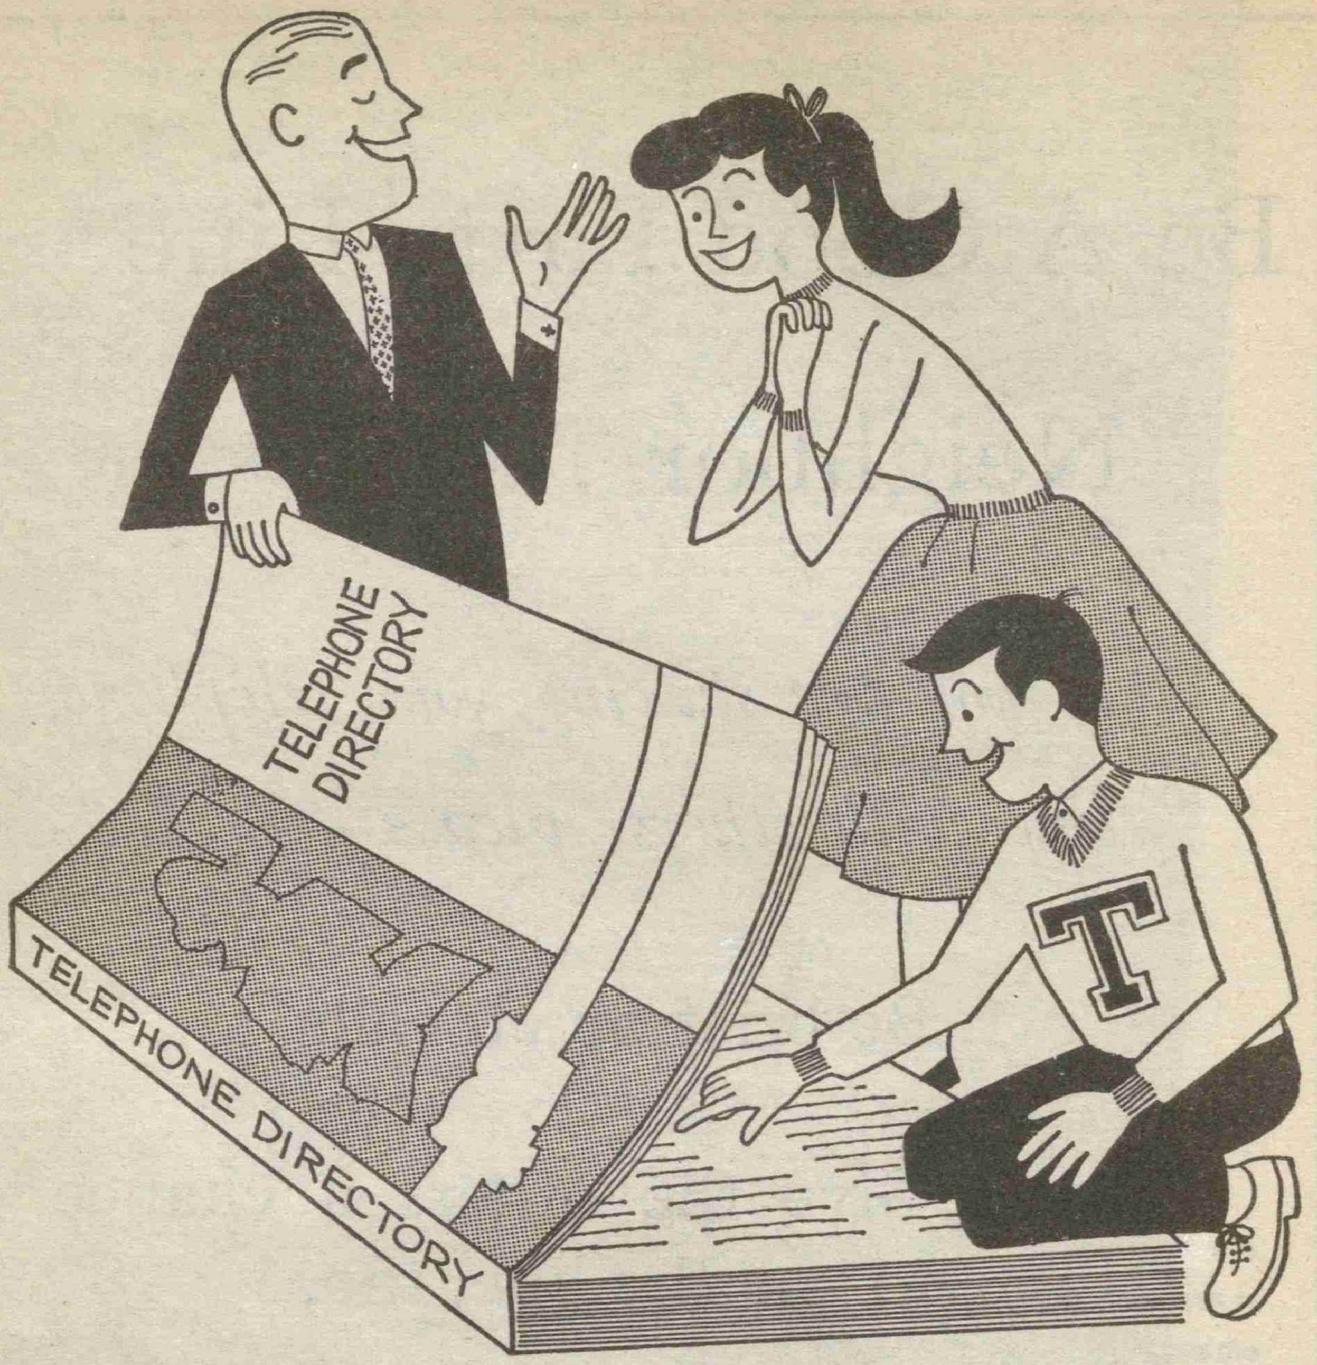

Your telephone company aims to give you the finest possible service at the lowest possible cost... even now when it is busier than ever keeping up with the unusual demands.

ILLINOIS BELL TELEPHONE COMPANY

Be A Good Party-Line Neighbor . . . .

If you are sharing your telephone line with others, please—

1. Be brief on all calls.
2. Give the others a chance to use the line, too.
3. Hang up if the line is in use.
4. Answer calls promptly.
5. Replace receiver after each call.

Ask now about telephone directory listings for each member of your family

Makes all kinds of sense to list your family *completely* in the new telephone directory?

Grandparents, other relatives living with you, teen-agers . . . all rate *personal* listings. (Remember the thrill you got when you first saw your own name there?)

Multiple listings make it easy for callers to find the telephone number of *all* the folks in your household, end the inconvenience of "lost" calls. And the cost is small.

ILLINOIS BELL TELEPHONE

To arrange for this telephone "plus," just call your Service Representative at the telephone office.

A BUYERS' GUIDE, containing Classified Lists of Customers of Business Telephone Service of the Illinois Bell Telephone Company. Names are arranged in alphabetical order, under headings generally descriptive of the type of business or profession.

As an added service to users of this directory as well as to themselves, many business telephone customers have purchased additional directory representation consisting of listings, night telephone numbers, office hours, and advertising.

It's easy to find it fast in the YELLOW PAGES

WHEN YOU WANT TO BUY SOMETHING . . .
Look for the classification which describes the product or service desired. Then select the individual or concern with whom you wish to deal.

WHEN YOU ARE LOOKING FOR A TRADE MARKED PRODUCT OR SERVICE . . .
Turn to the appropriate classification and find the name of the product or service listed alphabetically within the column. Select your dealer from those listed under that brand name.

WHEN YOU'VE FORGOTTEN ALL OR PART OF A BUSINESS FIRM'S NAME . . .
Turn to the proper classification and you will find all the companies listed alphabetically by name. Then all you have to do is check those listed for the name or location you recognize.

THIS BOOK IS RENEWABLE BY PHONE OR IN PERSON IF THERE IS NO RESERVE WAITING OR FINE DUE.

LCP #0390

CONVENIENCE in answering and placing calls with telephones in the kitchen and other living areas—as well as talking room-to-room with the new Home Interphone.

Modern homes have all three...

- **CONVENIENCE**
- **PRIVACY**
- **SECURITY**

PRIVACY on telephone conversations so others can't hear what is said.

SECURITY... a bedside phone provides peace of mind—and with Home Interphone, the doorbell is answered from any telephone in the house.

Even the telephone ring has gone modern. The New Bell Chime gives you a choice of three sounds—chimes, loud ring, or soft ring.

For more information about these low-cost phones or services, just call or visit your business office, or ask a telephone installer.
